"Home Sweet Home" in a picturesque location

Westley Court is a charmingly refurbished nursing home located in the peaceful village of Cookley near Kidderminster. Our experienced nurses and carers pride themselves on making our residents feel really 'at home' in 33 tastefully decorated rooms, all with en-suite facilities.

As there are few things more comforting than being surrounded by personal belongings we encourage residents to personalise their rooms with family photos, ornaments and cherished keepsakes. Gorgeous home-cooked meals are prepared on the premises by our qualified chefs using locally sourced ingredients.

Staff are equipped with the skills and knowledge to provide people with effective care and support in line with their needs and preferences. Residents are supported by staff who are committed to providing high quality care. People's medicines were administered and managed in a safe way. Clear and visible leadership means people receive good quality care. People's relatives and friends were really satisfied with the staff and the high standard of care they provided."

Care Home Technology

The latest care home technology helps ensure the well-being of residents at Westley Court Care & Nursing Home. We use electronic medical records for easy access to check health and medications for allergic reactions. Pre-packaged medications help nurses dispense proper dosage, avoiding human error. Technology can also streamline business systems such as staff-rostering and automatic scheduling of meetings between staff and management in response to incidents.

People said staff treated them with respect and were knowledgeable about their individual preferences, hobbies and interests. One resident said ‘Staff are very good at caring for me and they look after my well-being’. Another person commented, ‘they always give me options and choices in everything’. One relative said, ‘It is a relaxed home where residents and their families are treated well and with dignity’.”

I can’t praise the Westley Court manager and staff highly enough. The nurses and carers are always cheerful and they work tirelessly to care for our nearest and dearest. Nothing is too much trouble for them.”

Family of Resident

Westley Court - Keeping active and savouring the views

Westley Court has been recognised as an official ‘Dignity Champion’ by the Dignity in Care network, which confirms that our staff believe passionately that being treated with dignity is a basic human right, not an optional extra.

A physically active lifestyle can significantly improve people’s quality of life at all stages of dementia. Westley Court’s full-time Activities Organiser works hard to incorporate people’s hobbies into their daily routine. Some residents enjoy being pampered by beauticians. Others prefer sitting peacefully with their favourite carer in our extensive grounds where they can savour lakeside views and pretty canals. Other guests prefer more lively activities, from bespoke exercise sessions, live music and baking classes to visits to local parks, Christmas parties and theatre trips.

“

We believe that compassionate caring and exemplary professional standards go hand in hand. Our extremely high standards mean that your loved ones will feel safe and happy at Westley Court.”

Geraldine & Chris Smith, founders of Coate Water Care in 1995
